

Reverend Kenneth R. Davis, Sr.

Rev. Kenneth R. Davis, born in St. Louis, Missouri, November 28, 1948 to Sylvia Watkins a fifteen-year-old single parent. Raised by Ms. Watkins as my only earthly parent, but God has always been my heavenly father. Educated in The St. Louis school system, graduating in 1967. Although raised in the Church, as a young man I ventured out into the world; entering into the US Army in 1969.

I served my country from July 1969 to July 1970, touring the jungles of Vietnam. I was honorably discharged in February 1971; unaware of the fact that God was working out His plan and calling for my life. After many attempts of trying to get myself together, things didn't turn around until I came back to Lord. In 1978 when my family and I united with the Pleasant Green Missionary B.C. at which time, Rev. Henry Berry was Pastor.

In 1982 my Heavenly Father called me into the ministerial service of His Son. I attending Brooks Bible College, and I was ordained on June 1, 1986 at Pleasant Green M.B.C. After years of fellowship, teaching Bible, Sunday School, and Evangelism classes, my wife and I united in 2016 with the Beth-El M.B.C. of North County, Rev. Emmett Baker is our Pastor. God commanded me to tell the world about how His SON suffered, died and was buried; and rose for our salvation enabling God to forgive our sins.
